WELCOME MESSAGE

Dear Colleagues,

It gives us immense pleasure to invite you to the **2nd National HCDSCON 2026**, to be held in Kolkata, a city known for its rich academic, clinical, and intellectual heritage.

HCDSCON 2026 is conceptualized as a focused, high-impact multispeciality conference that brings together experts from across disciplines to address real-world clinical challenges. While diabetes remains a central theme, the conference expands its scope to include its multi speciality implications and interdisciplinary management.

The scientific program is designed to deliver practical, evidence-based insights that are directly applicable in day-to-day clinical practice. With a carefully curated group of delegates and experienced faculty, the conference ensures meaningful interaction, deeper understanding, and valuable professional exchange.

We look forward to your participation in making this academic initiative a success.

Warm Regards,

Organising Committee

HCDSCON 2026

About the Conference

HCDSCON 2026 is an academic initiative of the Howrah Cardio Diabetic Society aimed at promoting practical, evidence-based medical learning across specialties.

The conference focuses on a multispeciality approach to clinical medicine, with diabetes serving as a central thread connecting various organ systems and disciplines. It emphasizes the importance of integrated care, early diagnosis, preventive strategies, and real-world clinical decision-making.

Designed as a mid-sized, high-impact conference, HCDSCON ensures a focused academic environment that encourages active participation, direct interaction with faculty, and meaningful engagement among delegates.
